

## Keysis Outline 10-01-08

### State of the Union Address

- Rules (Again just to reiterate)
- Expectations
- Challenges

### Small Group Breakouts

- Name, why you are here and favorite type of Breakfast Cereal
- What do you want to be when you “grow up”?
- What are the most difficult challenges you face in your life as a Christian in a world that normally doesn’t accept Christian Virtues very well?
- What are your most core beliefs and how do they affect who you are on a daily basis?
- What is your personal challenge this week and how are you planning on accomplishing it?

(It’s fine if they don’t make it through all of the questions. Please listen to the Big Man upstairs too if He is pushing the group in a different direction. The questions are just here as helpful guides if they aren’t very talkative. Don’t take “I don’t know”, “yes”, or “no” as good answers and move on. Challenge them to think critically about what they believe and why. *“God does not need lemmings as followers. He calls us to holiness by our amazing gift of reasoning and putting that logic into action by choosing to follow Him.”* ~~ Joseph Cardinal Ratzinger (a.k.a. Pope Benedict XVI)
